Hello Jonathan,

I write to follow-up on my letter sent Tuesday, November 3, regarding HMD Global's subpoena to Acacia Research Corporation.

My letter suggested a meet and confer today, November 5, 2020 at 11:00 a.m. CT. I dialed in to the call this morning, but you were not there. Please let me know when you are available to resume our meet and confer and address the issues as set forth in my letter of November 3. I will resend a dial-in once we set the time.

I look forward to speaking with you. Thank you for your continued time and courtesy in this matter.

Best, Jen
